Please see [Brighton College Dubai Policies and Guidelines](#)

### 1. Policy Statement

---

This policy, as reflected in its aims below, establishes the criteria for admission to Brighton College Dubai.

### 2. Aims

---

- To ensure compliance with the College's purposes. Brighton College Dubai will deliver the Brighton College Curriculum, which is based on the National Curriculum of England and Wales, leading to the award of GCSEs and A-levels for boys and girls aged 3 years to 18 years.
- To select and admit pupils who will benefit from an academic education and who will contribute to and benefit from the ethos and activities of our College community.

#### 2.1 Equal Treatment

---

We welcome pupils from all ethnic groups, backgrounds and creeds. Human rights and freedoms are respected but must be balanced with the lawful needs and rules of our College community and the rights and freedoms of others. All candidates for admission will be treated equally, irrespective of their or their parents' race, colour, language, religion, political, or other opinion, national or social origin, association with a national minority, orientation, property, birth or other status.

#### 2.2 Students of Determination and Extra Learning Provision

---

The College welcomes applications from Pupils of Determination and those with additional educational needs and will make reasonable adjustments to comply with the legal requirements of the UAE in order to accommodate the needs of applicants who have learning differences. The College gives first consideration to Pupils of Determination and their siblings.

The College requests disclosure of any known learning difference which may impede a pupil's ability to take full advantage of the education provided at the College. Applicants should share any medical or educational reports for prior consideration. These will be immediately passed to the Director of Inclusion for review before inviting the parents of applicants for a consultation to discuss how the pupil's individual needs can be best met. When a learning difference becomes apparent after registration, the College will consult parents about reasonable adjustments that may enable the pupil to successfully continue their education. Parental consent to screen for learning differences is obtained at point of application or identification of a need. Parents will be made aware that additional fees may be applicable for the provision of extra support and such fees may not exceed 50% of the approved College tuition fees for other pupils.

---

### 3. Practice and Procedure

#### 3.1 Academic Selection

There is a selection and assessment process for all pupils entering the College. The assessment procedure comprises of a combination of entry tests, interviews, previous school reports, character references, confidential reports, samples of work and where applicable, consultations with specialist staff (EAL/ Inclusion). Pupils with learning differences will be assessed based on their commitment to fulfilling their own potential to the fullest and to reaching the Brighton College Code of Conduct with the encouragement of the teaching staff and Inclusion team.

#### 3.2 Entry Assessments

Pupils entering Pre-Prep (**FS1, FS2, Year 1 and Year 2**) will be invited to meet with the Head of Pre-Prep and year-group teachers in a classroom environment. For pupils entering the Early Years this is not a formal assessment but an opportunity for the College staff to meet with the child. For pupils applying for entry into Year 1 and Year 2, as well as a pastoral focus there will also be an opportunity for the child to demonstrate their skills in reading, writing and mathematics. In addition to the meeting, parents are required to submit recent nursery/school report and work samples.

For **Year 3 to Year 6** pupils are required to complete age-relevant CAT4 and writing assessments. In addition to the assessment, parents are required to submit recent school reports and additional school documents if required.

For **Years 7 to 11** there are four stages: verbal and non-verbal reasoning, quantitative skills, and spatial assessments; as well as a creative writing task. An interview with the Head of Senior School or member of the Senior Team will also take place. This is a general interview to explore the pupil's interests, attitude to school life, personal qualities, ability to contribute to the College community, support available at home and any other relevant information.

Applications for the **Sixth Form** will be based on a combination of verbal, non-verbal, quantitative and spatial ability reasoning skills assessments; a meeting with the Head of 6th Form; character references/predicted IGCSE grades; and copies of assessed mock Mathematics and analytical IGCSE papers. From the initial entry assessment, pupils will be benchmarked against international standards.

As Brighton's main language of instruction is English, applicants from non-English speaking backgrounds may be required to carry out a supplementary assessment in listening, speaking, reading and writing skills. Pupils with additional learning needs may be required to undertake a specific assessment as determined by the Head of Inclusion.

### 3.3 Assessing Overseas Candidates

For **FS1** pupils, admission is based on the pupil's language, personal, social and emotional development which is determined from current nursery reports and work samples. For **FS2 Year 1** and **Year 2** pupils, confidential reports, photographs and current samples of work form the basis of the assessment process. Admission into **Year 3 and above** requires the sitting and invigilating of an online assessment in an educational establishment in the country of residence. This usually takes place at the pupil's current school. Samples of the pupil's English, mathematics and science within the current half term are also obtained. The College may require an additional confidential report and will be requested by Brighton's Admissions Team.

### 3.4 Character Reference

We will, as due course, request a character reference from each pupil's current school. The Head Master of the pupil's current school will be asked to complete a confidential reference, which will cover the pupil's academic ability, attitude and behaviour, and involvement in the school.

### 3.5 Candidates Age

The pupil's year of entry is based on the current Pupil Entrance Age criteria in line with the school's curriculum and Government Regulations requirement. Parental Guide for School Admissions

Every effort is made to place pupils in the appropriate year for their age and provide the support needed to help the pupil meet age-related expectations.

### 3.6 Exemptions

Exemptions to a pupil's year group may occur when:

- Transferring from a 12-year educational programme (American, IB or Australian system) to the 13-year programme offered at the College.
- A pupil has been determined as having knowledge or skills above or below age-related standards and the parents have specifically requested that an assessment is made for the year below or above
- When the Knowledge and Human Development Authority (KHDA) have made a judgment that a pupil be placed in a year group which falls outside of the Pupil Entrance Age.
- Previously agreed exemptions from another British curriculum school

The signed Acceptance Form demonstrates the parental agreement to the year group of entry which may differ to the alignment of the pupil's current School Report and Transfer Certificate held on the file.

### 3.7 Re-assessments

***Pupils may be asked to return for a re-assessment in the following circumstances:***

- if they are upset at the initial assessment
- if they are sick at the initial assessment
- if there is an unexplained mismatch in the pupil's school reports and assessment results.

In all cases, the reasons for a re-assessment will be recorded on the Admissions Data Sheet, approved and signed by the Admissions Manager / Head Master.

### 3.9 Full Disclosure

---

Applicants should disclose any particular known or suspected circumstances relating to their child's health, allergies, disabilities, behaviour issues or learning differences. If information has been deliberately withheld or communicated incorrectly during the application process, the College has the right to withdraw any offer that has been made.

Where a decision is likely to be delayed due to staff holiday / sickness, prospective parents will be immediately notified. In all cases, copy correspondence will be retained on the data system.

### 3.12 Preference

---

*Preference will be given to:*

1. Students of Determination

## 4. Assessment and Record Keeping

FS1 to Year 6 - After an informal meeting with the pupil and parents, a brief report, prepared by the Head of the Prep School /Deputy Head/Class Teacher, is forwarded to the Admissions Manager who discusses this in detail with the Head Master and Head of the Prep School before a decision is made.

Year 7 to Year 11 - All prospective pupils are assessed through four disciplines: Verbal, Non-Verbal, Spatial and Quantitative. The combined assessment takes approximately two hours to complete. Once the tests are completed, the Invigilator generates the online results. A creative writing task supplements the online results. An interview with a member of the Senior Team will take place.

Where a learning need or disability has been disclosed on the application form, the Admissions Manager and The Head of Inclusion will meet with the parents and child to discuss the child's individual needs and how Brighton College can meet those needs. See Brighton College Dubai Inclusion Policy for further details. The decision to invite the pupil for the online GL assessment is made through the collaborative agreement of the Admissions Manager, The Head of Inclusion, Parents and Head Master. In conjunction with the Head Master, the Admissions Manager discusses the acceptance of each child on an individual basis. Decisions are based on the outcome of the meetings, the assessments and the recommendations made by the Heads of Schools. The Admissions Manager notifies the parents once a decision has been made. All Assessment dates and times are updated in iSAMS by the Admissions Team each time the file is actioned.

The Offer and Decline Letters are prepared through a template and copies are kept on the system. Parents who accept the offer of a place at the school for their child must respond with an Acceptance Form.
