BRIGHTON COLLEGE SIXTH FORM PROSPECTUS

Sixth Form

THE SIXTH FORM

As a Sixth Former at Brighton College, you will enjoy the best of all worlds: a supportive and dynamic academic environment, a friendly and caring school community, a wide range of sporting, arts and co-curricular activities, and a distinct and grown-up Sixth Form environment.

In the UK, Brighton College is one of the country's top co-educational schools at A-level, with an enviable track record in admissions to the world's top universities including Oxford and Cambridge. Over the last five years its pupils have achieved results which place it in the top 1% of schools in England. Within the UAE, both of our sister schools in Abu Dhabi and Al Ain have won accolades for their Sixth Form provision and have already sent many Brighton pupils off with impressive A-level results to the world's leading universities. We are also home to talented athletes, dancers, musicians, artists and performers.

All our pupils are encouraged to explore their passions and become well-rounded, tolerant and confident individuals. We want you to achieve your full potential, to love your time with us, and to leave us ready to make your mark on the world.

At the heart of the College, our modern Sixth Form Centre and Common Room is a well-equipped space for study. There are comfortable social areas too, where you can relax with your friends. You will also be part of one of our 4 Houses, with access to a tutor and a Housemaster or Housemistress, who are focused on the well-being and achievements of each and every pupil in their care. Our house-based system gives you the opportunity to develop your self-confidence and leadership qualities as one of the senior members of the school, while also enabling you to form good friendships from the very beginning

“Great pupils, strong and established philosophy, strong values, excellent pastoral care for the pupils, committed and supportive attention from Brighton College UK.”

STAFF MEMBER

Most of our Lower Sixth pupils initially choose four subjects to study from 24 options. From the second term onwards, pupils may opt to discontinue one of these, although some will continue with four subjects for the duration of their Sixth Form. In addition to your choices you will also study moral education and, for many of our pupils, Arabic and Islamic Studies. All Sixth Formers are provided with weekly physical education lessons in addition to the plethora of sport and fitness activities available beyond the timetable.

All our A-level subjects are taught by specialist teachers who have a passion for their topic and who are there to support you as you make your choices for university and beyond. We run courses to prepare you for university entrance tests and interviews, while our extensive range of academic clubs and societies offers plenty of opportunities for you to hear visiting speakers and to present your own ideas to other pupils.

OUR COMMUNITY

THE CURRICULUM

“The teachers are a great asset to the school. They are very passionate about their subjects, know their pupils well and know how to encourage them to be their best.”

SENIOR PARENT

Whether you are sporty, creative, musical or academic, Brighton College Dubai is the place to be. We don't believe in stereotypes and encourage everyone to participate and enjoy developing new skills and interests. Our wide range of music, dance and arts events enables you to act, sing and perform as casually or competitively as you want. The closely-fought inter-House competition really has something for everyone!

We have a thriving programme of sport, including swimming, basketball, football, tennis, and athletics. Our sportsmen and women regularly compete against other schools in the city and beyond.

MAKING A DIFFERENCE

We believe that we all have a responsibility to contribute to the well-being of others around us. All our Lower Sixth pupils are involved in community-based activities, often as part of the Duke of Edinburgh's Award Scheme. Every year we all take part in our 'Make a Difference Day', when we undertake a wide variety of community projects across Dubai.

PREPARING FOR THE FUTURE

As a leading British international school, we can help you reach the university of your choice, whether that is in the UK, elsewhere in Europe, North America, the UAE or indeed anywhere else in the world. Our most popular destinations are Russell Group universities such as Oxford, Cambridge, LSE, Imperial College or Edinburgh in the UK although our Sixth Formers also win places at specialist destinations such as conservatoires, drama schools, dance schools and sporting academies. We will support you throughout your university application process, with staff who are experts in delivering successful outcomes, and with a number of carefully-tailored programmes that prepare you for university entrance tests and interviews.

We also encourage pupils to consider their options more broadly, and this could involve taking a year between school and university or more vocational alternatives.

Our Old Brightonians association is a great resource for developing contacts and networks after school, while the experiences you will have had with us will leave you very well-placed to make the most of your career opportunities.

We are extremely proud of our pupils and all that they achieve, and hope that you will decide to become part of our Brighton community too. We promise that you will have the time of your life!

“Brighton College is a great school. Pupils and teachers are very kind and helpful, and this school offers many great opportunities.”
