

## Admissions Policy

---

Please see [Brighton College Dubai Policies and Guidelines](#)

### 1. Policy Statement

---

This policy, as reflected in its aims below, establishes the criteria for admission to Brighton College Dubai.

### 2. Aims

---

- To select and admit pupils who will benefit from an academic education and who will contribute to and benefit from the ethos and activities of our College community.

#### 2.1 Equal Treatment

---

We welcome pupils from all ethnic groups, backgrounds and creeds. Human rights and freedoms are respected but must be balanced with the lawful needs and rules of our College community and the rights and freedoms of others. All candidates for admission will be treated equally, irrespective of their or their parents' race, colour, language, religion, political, or other opinion, national or social origin, association with a national minority, orientation, property, birth or other status.

#### 2.2 Students of Determination and Extra Learning Provision

---

The College follows the Dubai Inclusive Education Framework Policy (2017) which states that:

- Students are not refused admission based only on their experience of SEND
- Students with SEND will receive sibling priority
- Students will be actively supported to participate in the process of learning as they develop their potential and build relationships with their peer, through social interactions in age-appropriate common learning environments
- Support, accommodations and curricular modifications will enable equitable access to educational opportunities

We promote the principle of equality and welcome applications from Students of Determination and those with additional educational needs. We make reasonable adjustments to comply with the legal requirements of the UAE in order to accommodate the needs of applicants who have learning differences.

The College requests disclosure of any known learning difference which may impede a pupil's ability to take full advantage of the education provided at the College. Applicants should share any medical or professional reports as well as educational reports within the last two years, for prior consideration. These will be immediately passed to the Head of Inclusion for review before inviting the parents of applicants for a consultation to discuss how the pupil's individual needs can be best met. When a learning difference becomes apparent after registration, the College will consult parents about reasonable adjustments and the level of support required to enable the pupil to successfully continue their education. Parental consent to screen for learning differences is obtained at point of application.

Parents will be made aware that additional fees may be applicable for the provision of extra support (such as recruitment of an Individual Learning Support Assistant or referral to external agencies) and such fees may not exceed 50% of the approved College tuition fees for other pupils. Please refer to the Inclusion Policy which provides further details on admissions for Students of Determination and students that require extra learning provision.

### 3. Practice and Procedures

---

#### 3.1 Academic Selection

---

There is a selection and assessment process for all pupils entering the College. The assessment procedure comprises of a combination of entry tests, interviews, previous school reports, character references, confidential reports, samples of work and where applicable, consultations with specialist staff (EAL/ Inclusion). Pupils with learning differences will be assessed based on their commitment to fulfilling their own potential to the fullest and to reaching the Brighton College Code of Conduct with the encouragement of the teaching staff and Inclusion team.

#### 3.2 Entry Assessments

---

Pupils entering Pre-Prep (**FS1, FS2, Year 1 and Year 2**) will be invited to meet with the Head of Pre-Prep and year group teachers in a play-based environment; this is not a formal assessment but an opportunity for the College staff to meet with the child. During the visit/playdate, teachers may make observations about a child's level of engagement, their social interactions, knowledge of colours, numbers and letter awareness. For pupils applying for entry into Year 1 and Year 2, as well as a pastoral focus there will also be an opportunity for the child

to demonstrate their skills in reading, writing and mathematics. In addition to the meeting, parents are required to submit recent nursery/school report and work samples.

For **Year 3 to Year 11**, pupils are required to complete age-relevant CAT4 and writing assessments. In addition to the assessment, parents are required to submit recent school reports and additional school documents if required.

For **Years 7 to 11**, pupils will also have an interview with the Head of Senior School or a member of the Senior Team. This is a general interview to explore the pupil's interests, attitude to school life, personal qualities, ability to contribute to the College community, support available at home and any other relevant information.

Applications for the **Sixth Form** will be based on a combination of verbal, non-verbal, quantitative and spatial ability reasoning skills assessments; a meeting with the Head of 6th Form; character references/predicted IGCSE grades; and copies of assessed mock Mathematics and analytical IGCSE papers. From the initial entry assessment, pupils will be benchmarked against international standards.

As Brighton's main language of instruction is English, applicants from non-English speaking backgrounds may be required to carry out a supplementary assessment in listening, speaking, reading and writing skills. Pupils with additional learning needs may be required to undertake a specific assessment as determined by the Head of Inclusion.

### 3.3 Assessing Overseas Candidates

---

For **FS1** pupils, admission is based on the pupil's language, personal, social and emotional development which is determined from current nursery reports, work samples and a video of the pupil. For **FS2 Year 1 and Year 2** pupils, confidential reports, photographs and current samples of work form the basis of the assessment process along with a recent video of the pupil. Admission into **Year 3 and above** requires the sitting and invigilating of an online assessment in an educational establishment in the country of residence. This usually takes place at the pupil's current school. The College may require an additional confidential report and will be requested by Brighton's Admissions Team.

### 3.4 Character Reference

---

We will, as due course, request by email, a character reference from each pupil's current school. The Pastoral/Safeguarding Lead of the pupil's current school will be asked to complete a confidential reference, which will cover the pupil's academic ability, attitude and behaviour, and involvement in the school.

### 3.5 Candidates Age

---

The pupil's year of entry is based on the current Pupil Entrance Age criteria in line with the school's curriculum and Government Regulations requirement.

Every effort is made to place pupils in the appropriate year for their age and provide the support needed to help the pupil meet age-related expectations.

### 3.6 Exemptions

---

Exemptions to a pupil's year group may occur when:

- Transferring from a 12-year educational programme to the 13-year programme offered at the College.
- A pupil has been determined as having knowledge or skills above or below age-related standards and the parents have specifically requested that an assessment is made for the year below or above
- When the Knowledge and Human Development Authority (KHDA) have made a judgment that a pupil be placed in a year group which falls outside of the Pupil Entrance Age.
- Previously agreed exemptions from another British curriculum school

The signed Acceptance Form demonstrates the parental agreement to the year group of entry which may differ to the alignment of the pupil's current School Report and Transfer Certificate held on the file.

### 3.7 Re-assessments

---

***Pupils may be asked to return for a re-assessment in the following circumstances:***

- if they are upset at the initial assessment
- if they are sick during the time of the initial assessment
- if there is an unexplained mismatch in the pupil's school reports and assessment results.

In all cases, the reasons for a re-assessment will be recorded on the Admissions Data Sheet, approved and signed by the Admissions Manager/Head Master.

---

For the purposes of making a fair and informed decision, we request the right to obtain further information such as a medical certificate or educational psychologist's report and/or associated correspondence from the pupil's current school (including samples of work).

### 3.9 Full Disclosure

---

Applicants should disclose any particular known or suspected circumstances relating to their child's health, allergies, disabilities, behaviour issues or learning differences. If information has been deliberately withheld or communicated incorrectly during the application process, the College has the right to withdraw any offer that has been made.
